Teacher Feature

Message to Marcus Garvey Teachers

This space is dedicated to the wonderful teachers of Marcus Garvey Pre- School and Elementary School. In this space you will be able to feature stories, events, and meaningful communications with students and parents etc. Please submit any articles to either Sister Saunders or Mitzi Conner by the 15th of the month in order to be considered for publishing the following month.

Students Of Garvey

This section of the newsletter will be reserved for the Students Of Garvey. Each month students will be able to submit poems, stories, important news etc. We encourage teachers and parents to assist students in their quest to find relevant material to write about. This is also a great place for students to write editorials about

current events and how those events affect us as individuals and as a whole. If you have accomplishments that you are proud of, please submit them in writing by the 15th of each month in order to be considered for the following months newsletter.
